REPORTS OF THE CITY MANAGER

AUTO SPECS Specifications for the purchase of twelve automobiles and the trade-in of nine automobiles from various departments including the replacement of seven vehicles in the Police Department were approved on the motion of Councilman Hughes, Richey second.

CASI (SOCIAL SECURITY) The City Manager read a letter from the Pension Board recommending unanimously that the City of Lodi proceed with arrangements for the inclusion of the City's employees under the benefits of Federal Old Age and Survivors Insurance program. The Board recommended participation on a full supplemental basis and asked that an election of the employees be called as soon as possible. It also recommended that the program be instituted as of January 1, 1956. Councilman Richey moved, Mitchell second, that the City Council reaffirm the position of previous Councils to make Social Security available to the City's employees and to authorize the City Manager to proceed with the necessary arrangements toward that end. The motion passed by unanimous vote.

ABANDON POR. OF EASEMENT IN COSTA TR. Mr. Weller presented a request that the City vacate and abandon the north four feet of a ten-foot easement along the south side of Lot 22 of the Costa Tract. He explained that there are no utilities in this easement and the City has received an easement of four feet from the owner (min. 12/1/55) of the lot just south of Lot 22, thereby giving the City ten feet if the requested abandonment is approved. He added that both the City Engineer and the Superintendent of Utilities have stated that the City does not have any use for the four feet in question. An order to abandon the north four feet of the ten-foot easement bordering the south line of Lot 22 of the Costa Tract was adopted on the motion of Councilman Hughes, Fuller second.
